**“SAM HELL” NEARS COMPLETION,
SON OF JASON FILMS
ADDS TWO MORE PROJECTS TO SLATE**

January, 2008 -- Producer / Director **Michael Bayouth** announces that **Ted White**, who played **Jason Voorhees** in **Friday the 13th: The Final Chapter** has agreed to appear in **The Stranded**, the next feature currently in development at **Son of Jason Films**. Additional details on the film’s plotline and production schedule will be announced this Spring.

The company’s current project **Sam Hell** is currently in post, and will soon be appearing in various film festivals nationwide.

Michael Bayouth, along with friend and screenwriter **Ryan Ball**, have also begun work with **The Chiodo Brothers** to develop **SNARL**, written by **Ryan Ball**. The company expects to finalize the production schedule for **SNARL** by early Summer. **The Chiodo Brothers** are well known and well respected within the film industry, producing work for **Team America**, **Elf**, **Clay** (for Disney), **The Simpsons**, and many, many more. Check out their demo reel at www.chiodobros.com

“2008 is already shaping up as a great year for all of us at **Son of Jason Films**,” says **Michael Bayouth** “With **Sam Hell** well underway, and **The Stranded** and **SNARL** in the works, it looks like it will be a busy year for us, but it will all be a labor of love.”

Updated information on **Sam Hell** is available at <http://bayouth.netfirms.com/samhell/>
